 GLOSSARY

Vocabulary

How to use: Cut around each card's dashed border. Fold along the middle dashed line so the term shows on one side and the definition on the other.

Photosynthesis

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. END OF LONG DEFINITION.

Spanish: Photosynthesis: Las plantas y los animales dependen de su entorno para sobrevivir.

Photosynthesis

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. The process supports food webs and moves energy through ecosystems. END OF LONG DEFINITION.

Spanish: Photosynthesis: Las plantas y los animales dependen de su entorno para sobrevivir.

[illegible]

Photosynthesis

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen. The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

The process supports food webs and moves energy through ecosystems.

END OF LONG DEFINITION.

Spanish: Photosynthesis: Las plantas y los animales dependen de su entorno para sobrevivir.

Evaporation

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Evaporation: Las plantas y los animales dependen de su entorno para sobrevivir.

Evaporation

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Evaporation: Las plantas y los animales dependen de su entorno para sobrevivir.

Evaporation

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Evaporation: Las plantas y los animales dependen de su entorno para sobrevivir.

Evaporation

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Evaporation: Las plantas y los animales dependen de su entorno para sobrevivir.

Condensation

▼ fold here / click to flip ▼

Living things interact with their surroundings and depend on one another.

Spanish: Condensation: Las plantas y los animales dependen de su entorno para sobrevivir.

Precipitation

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen.

Spanish: Precipitation: Las plantas y los animales dependen de su entorno para sobrevivir.

Ecosystem

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Ecosystem: Las plantas y los animales dependen de su entorno para sobrevivir.

Habitat

▼ fold here / click to flip ▼

Living things interact with their surroundings and depend on one another.

Spanish: Habitat: Las plantas y los animales dependen de su entorno para sobrevivir.

Producer

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen.

Spanish: Producer: Las plantas y los animales dependen de su entorno para sobrevivir.

Consumer

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Consumer: Las plantas y los animales dependen de su entorno para sobrevivir.

Decomposer

▼ fold here / click to flip ▼

Living things interact with their surroundings and depend on one another.

Spanish: Decomposer: Las plantas y los animales dependen de su entorno para sobrevivir.

Adaptation

▼ fold here / click to flip ▼

Plants use sunlight, water, and carbon dioxide to make food and release oxygen.

Spanish: Adaptation: Las plantas y los animales dependen de su entorno para sobrevivir.

Population

▼ fold here / click to flip ▼

Liquid water changes into water vapor when it gains heat energy.

Spanish: Population: Las plantas y los animales dependen de su entorno para sobrevivir.

Community

▼ fold here / click to flip ▼

Living things interact with their surroundings and depend on one another.

Spanish: Community: Las plantas y los animales dependen de su entorno para sobrevivir.
